

The Business and Development Innovations Lecture Series
in collaboration with Knowledge@Wharton

Presents

Dr. Mahmoud Mohieldin

Senior Vice President for the 2030 Development Agenda, United Nations Relations, and Partnerships

Implementing the Sustainable Development Goals in the Changing World

Moderator, Dr. Djordjija Petkoski

Senior Fellow, the Zicklin Center and Lecturer, The Wharton School

Monday, March 12, 2018

Room: AUD CPCR; 3:00 – 4:20PM

Dr. Mahmoud Mohieldin will be discussing the Sustainable Development Goals (SDGs), successor of the Millennium Development Goals, which were adopted in September 2015 as a holistic, universal framework for development. The SDGs serve as a guide for countries to determine their national development path. He will highlight the key areas for action to support the SDGs: financing, data, and implementation. He will also discuss the work of the World Bank Group and some interesting new developments, particularly in financial and technological innovations.

About Dr. Mohieldin:

Dr. Mohieldin is the World Bank Group Senior Vice President for the 2030 Development Agenda, UN Relations and Partnerships. Before joining the World Bank, Dr. Mohieldin held numerous senior positions in the Government of Egypt, including Minister of Investment from 2004 until 2010. He also served on several Boards of Directors including the Central Bank of Egypt and the banking and corporate sector. He was a member of the Commission on Growth and Development and selected a Young Global Leader of the World Economic Forum. He is a Professor of Economics and Finance at Cairo University, an Honorary Professor at Durham University and member of the Advisory Board of the Durham Business School. He also held leading positions in national and regional research centers and think tanks. He has authored numerous publications and articles in leading journals in the fields of international finance, economics, and development in English and Arabic. He received his Ph.D. in Economics from the University of Warwick, M.Sc. in Economic and Social Policy Analysis from the University of York, and B.Sc. in Economics, first in the order of merit, from Cairo University.
